

Avery Dennison

Compliance certificate

Statement on Heavy Metals

No heavy metals are used in products from Avery Dennison – Materials Group Europe. Our products comply with the Packaging and Packaging Waste Directive 94/62/EC, US CONEG Model Toxics legislation and Directive 2000/53/EC on end-of life vehicles, in relation to the various heavy metals paragraphs. The requirement imposed by these pieces of legislation for heavy metals is that the sum of Cadmium, Mercury, Lead and Chromium (VI) in products should be below 100 ppm. Based on incidental testing and confirmations from suppliers, the concentrations of these substances in Avery Dennison – Materials Group Europe standard products will not exceed the limits.

Disclaimer

All Avery Dennison statements, technical information and recommendations are based on tests believed to be reliable but do not constitute a guarantee or warranty. All Avery Dennison products are sold with the understanding that purchaser has independently determined the suitability of such products for its purposes.
