PERFORMANCE DATA

Initial Tack	>400 N/m	FTM 9 glass
Peel Adhesion 90°	>280 N/m	FTM 2 st.

Minimum application temp.	+5°C
Service temp.	-20°C to +80°C

N.B.: All data to be considered as typical values.

Adhesive performance

S2000 is a clear, permanent adhesive featuring excellent UV resistance and weatherability together with good adhesion performance even on apolar substrates.

Applications and use

Computer printable labels offering good dimensional stability and lay flatness as well as good interfolding characteristics. Designed specifically for use in continuous forms laser printers.

The above does not represent any guarantee or warranty and the Purchaser must independently determine the suitability of the products for the Purchaser's purposes.

Conversion / Printing

Good computer printability where an absorbent surface allows fast drying of ribbon printed inks. Good laser printability. Excellent die cutting, sprocket punching, stripping and fan folding. Tight release from backing to prevent premature label dispensing during processing.

Shelf life

1 Year if stored at 22°C and 50 % relative humidity.

Statement of practical use

As with all pressure sensitive materials, this product should be tested thoroughly under end-use conditions to ensure it meets the requirements of the specific application.

Information concerning Products are based upon tests believed to be reliable but do not represent a guarantee or warranty. Products are provided on the basis that any Purchaser has independently determined the suitability of the Products and Purchaser's purposes. The Company warrants the products to be free from defects in material and workmanship. Should any failure to conform to this warranty appear within one year of delivery (but not afterwards), upon notification thereof within seven (7) days of such appearance and substantiation that the Products have been stored and applied in accordance with the Company standards, the Company shall within a reasonable period correct such defects by providing a suitable replacement without charge at the Company's plant or at the location of the Products (at the Company's election) provided however, if the Company in its sole discretion determines that replacement is not commercially practical, the Company may issue a credit in favour of the Purchaser in an amount not to exceed the purchase price actually paid for the Products. Any implied warranty of merchantability fitness for particular purpose or other warranty of quality, whether express or implied by law, is hereby excluded to the extent permitted by law. In no event shall the Company be liable for any incidental, indirect or consequential damages including, but not limited to, loss of profit, loss of use or loss of capital. The remedies of the Purchaser set forth herein are exclusive, and the total potential liability of the Company arising out of any contract of or from the manufacture, sale, delivery, resale, installation or use of any products shall not exceed the purchase price of the products upon which liability is based.
