Warranty

Information concerning Products is based upon tests believed to be reliable, but does not represent a guarantee of warranty. Products are provided on the basis that any Purchaser has independently determined the suitability of the Products for the Purchaser's purposes. The Company warrants the products to be free from defects in material and workmanship. Should any failure to conform to this warranty appear within one year of delivery (but not afterwards), upon notification thereof within seven (7) days of such appearance and substantiation that the Products have been stored and applied in accordance with the Company standards, the Company shall within a reasonable period correct such defects by providing a suitable replacement without charge at the Company's plant or at the location of the Products (at the Company's election) provided, however, if the Company in its sole discretion determines that replacement is not commercially practical, the Company may issue a credit in favor of the Purchaser in an amount not to exceed the purchase price actually paid for the Products. Any implied warranty of merchantability fitness for a particular purpose or other warranty of quality, whether express or implied by law, is hereby excluded to the extent permitted by law.

Limitation of Liability

In no event shall the Seller be liable for any incidental or consequential damages, including but not limited to loss of profit, loss of use or production or loss of capital. The remedies of the Purchaser set forth herein are exclusive and the total potential liability of the Seller with respect to production or loss of capital. The remedies of the Purchaser set forth herein are exclusive and the total potential liability of the Seller with respect to any contract or anything done in connection therewith such as the performance or breach thereof, or from the manufacture, sale, delivery, resale, installation or use of any products whether arising out of contract, negligence, strict tort, or under any warranty, or otherwise, shall not exceed the purchase price of the products upon which liability is based.

Select Solutions™ Mix & Match™

The versatile way to choose your label solutions

Looking for a durable goods labelling solution? Find a facestock and adhesive combination you like but need it on a film liner? Avery Dennison's Select Solutions Mix & Match options can help you find the right construction – fast! Mix & Match lets you choose from a set range of label constructions created to address your unique application and performance needs.

Select from foil films, metalised films, papers and more in combination with some of our best performing adhesives and liners.

Mix & Match gives you the benefit of a customised label solution with low minimum order quantities, timely pricing, and speedy delivery you expect.

The Select Solutions Mix & Match service leverages Avery Dennison's expertise in helping customers find the right labelling solutions for their specific application needs, including specialty and challenging label constructions.

Mix & Match allows label converters to request a precise combination of face material, adhesive, and release liner. It opens up whole new opportunities to innovate and differentiate.

As with all Avery Dennison products, extensive support comes as standard for printers, converters, packers and end-users. A technical specialist can help to determine which existing or tailor made product is the optimal solution for any given application.
