

Fluorescents and Foils

Eye catching and functional
labels to grab attention

Used as inventory and warning labels, as well as eye-catching advertising and promotional labels, Fluorescents demand attention. They not only communicate important data such as use-by dates that provide consumer confidence and safety, but they also boost immediate shelf impact. However you use them, our Fluorescent facestocks provide excellent stability and durability in application.

Available in a wealth of bold, bright colours, Avery Dennison Fluorescent and Foil label materials for food industry applications are as versatile as they are functional, improving supply chain visibility, waste reduction and freshness labelling. Available in a range of silver, bright and matte finishes, Avery Dennison Foil solutions are suitable for the labelling of quality products including cosmetics and luxury toiletries.

Key features

- Available in many bold colors and bright finishes

Application areas
