

# Fluorescents and Foils

Available in a wealth of bold, bright colours, Avery Dennison fluorescent and foil label materials for food industry applications are as versatile as they are functional, improving supply chain visibility, waste reduction and freshness labelling.

Foil labels are very suitable for labelling of quality products such as cosmetics, toiletries and luxury articles. Avery Dennison foil labels are available in a range of gold, silver, bright and matte finishes.

Used as inventory and warning labels, as well as eye-catching advertising and promotional labels, fluorescents demand attention. They not only communicate important data, such as use by dates that provide consumer confidence and safety, they also boost consumer impulse buying due to their immediate shelf impact. However you use them, our fluorescent facestocks provide excellent stability and durability in application.
