Avery Dennison Label and Packaging Materials Product Overview

Asia Pacific - SSA July 2021

Avery Dennison Label and Packaging Materials **Product Overview**

Asia Pacific - SSA July 2021

> Avery Dennison Fluorescent label materials for food industry applications are as versatile as they are functional, improving supply chain visibility, waste reduction, and product freshness.

Used as inventory and warning labels, as well as eye-catching advertising and promotional labels, Fluorescents demand attention. They not only communicate important data such as use-by dates that provide consumer confidence and safety, but they also boost immediate shelf impact. However you use them, our Fluorescent facestocks provide excellent stability and durability in application.

Key features

· Available in a variety of bold colours

Application areas

- · Promotional labels
- · Warning labels
