

Holographic range

Few packaging technologies compete with holographic labels for pure shelf impact. Their dynamic, shifting patterns grab consumers' attention – a winning choice for premium product differentiation, special offers and promotional campaigns.

The premium polyester range provides optimal brightness and unbeatable shelf appeal, for high value applications such as spirits and cosmetics. Polypropylene laminated to paper offers conversion-friendly packaging promotions, festive gift or home care product labelling. A cost-effective polypropylene range, suits food promotions and decorative labels.

Selected products are now available under the Ready Width Program, and Minimum Order Quantity is 1000 sqm across the rest of the range.
