

Small / Home Office Printing

As more people work from home, demand from small office and home office users for high quality print media has expanded dramatically. It continues to grow fast, driven by the widespread availability of very high quality printers.

Many different home and hobby applications now require print media with the best possible print quality, as well as the right facestock and adhesive properties.

Key features

- Optimal print resolution, ink and toner anchorage
- Optimal conversion – backing liners with excellent layflat characteristics

Application areas

- Address labelling
- Labels for filing and organising
- Over-labelling of documents
- Promotional and retail labels
- Inventory and instruction labels
- Media labels for CDs and DVDs
- Photo printing labels
