

Acceptance of the Terms of Use

In consideration for Avery Dennison Corporation (“Avery Dennison” or “we”) allowing You to access the Avery Dennison “My Avery Dennison™” portal (the “Portal”) and Your receipt of information provided on the Portal, You accept and agree to be bound by the following terms and conditions (“Terms of Use”), which govern Your access to and use of the information provided to You through the Portal.

Please read the Terms of Use carefully before starting to use the Portal. If You do not agree to these Terms of Use, You are prohibited from accessing or using the Portal.

Authority

The individual agreeing to these Terms of Use represents that s/he has the actual authority of Customer to bind Customer to these Terms of Use. Customer shall mean the entity on whose behalf individual employees, including You, access the Portal.

Confidentiality

This Portal contains Confidential Information (as defined below). You agree that it will not disclose or use the Confidential Information except for the purpose of your engagement with Avery Dennison (the “Purpose”).

You further agree that it shall exercise the same degree of care, but no less than a reasonable degree of care, to prevent the disclosure of Confidential Information to any third party, as You use to protect its own confidential information of a like nature. In addition, You shall limit internal dissemination of Confidential Information within its own organization to individuals whose duties justify the need to know such information, and then only provided that there is a clear understanding by such individuals of their obligation to maintain the confidential nature of such information and to restrict its use solely to the Purpose. You shall promptly notify Avery Dennison of any unauthorized use or disclosure of Confidential Information and use Your best efforts and cooperate with Avery Dennison to prevent further use or disclosure. No other right or license to use Confidential Information is granted hereby.

“Confidential Information” means all non-public, proprietary or confidential information of Avery Dennison or relating to Avery Dennison’s material and other costs, operations, machine downtime, existing or future/new products, pressure sensitive constructions and components thereof (whether such components are ultimately incorporated into Avery Dennison’s products), and applications and methods of making, testing and using any of the foregoing; quality requirements; specifications; production facilities, equipment and processes; fitness-for-use criteria; test methods; You names; cost and price information; current and future business and marketing plans; commercial sale and/or supply arrangements, and sales and purchase volumes; market dynamic analysis/reviews performed by Avery Dennison; and other written, electronic or oral information disclosed or furnished by or on behalf of Avery Dennison in connection with the Purpose, in oral, visual, written, electronic or other tangible or intangible form, whether or not marked or designated as “confidential,” and all notes, analyses, summaries and other materials prepared by You or any of Your employees or agents that contain, are based on or otherwise reflect, to any degree, any of the foregoing; provided, however, that Confidential Information does not include any information that (a) at the time of disclosure, is available to the general public; (b) which becomes at a later date available to the general public through no fault of You and then only after said later date; (c) which You can demonstrate was in Your possession before receipt from Avery Dennison; (d) which is disclosed to You without restriction on disclosure by a third party who has the lawful right to disclose such information; or (e) which is legally required to be disclosed, provided that You promptly notify Avery Dennison so that Avery Dennison may seek a protective order or other appropriate remedy.

Changes to the Terms of Use

Avery Dennison may revise and update these Terms of Use from time to time in its sole discretion. All changes are effective immediately when they are posted and apply to all access to and use of the Portal thereafter.

Your continued use of the Portal following the posting of revised Terms of Use means that You accept and agree to the changes. You are expected to check this page each time it accesses this Portal so You are aware of any changes, as they are binding on You.

Accessing the Portal and Account Security

You are responsible for ensuring that all persons who access the Portal on Your behalf are aware of these Terms of Use and comply with them.

If You are provided with a user name, password or any other piece of information as part of Avery Dennison's security procedures, **You must treat such information as confidential and must not disclose it to any other person or entity. This means that if You are an individual employee, officer, agent, or representative of Customer, You may not share Your user name and password with any other person-- including another employee, officer, agent, or representative of Customer-- without Avery Dennison's written approval.** You also acknowledge that the account is personal to Customer and agree not to provide any person who does not need to know the Confidential Information, including Your user name and password, with access to this Portal or portions of it using Your user name, password or other security information.

You further agree:

- **to notify Avery Dennison immediately when an individual who had access to the Portal is no longer employed by Customer;**
- **if You are an employee of Customer, to immediately notify Avery Dennison if you are no longer employed by Customer and to immediately cease and desist from (a) using Your user name and password to access the Portal, or (b) otherwise accessing the Portal, unless and until You are provided with a new user name and password by Avery Dennison (i.e., in the event you become employed by another customer);**
- **to notify Avery Dennison immediately of any unauthorized access to or use of Your user name or password or any other breach of security; and**
- **to ensure that You exit from the system at the end of each session.**

Avery Dennison has the right to disable any user name, password or other identifier, whether chosen by You or provided by Avery Dennison, at any time in Avery Dennison's sole discretion for any or no reason, including if, in Avery Dennison's opinion, You have violated any provision of these Terms of Use.

Governing Law and Jurisdiction

All matters relating to the Portal and these Terms of Use, and any dispute or claim arising therefrom or related thereto (in each case, including non-contractual disputes or claims), shall be governed by and construed in accordance with the internal laws of the State of Ohio without giving effect to any choice or conflict of law provision or rule (whether of the State of Ohio or any other jurisdiction).
