Primera Water-based Inkjet

Fasson® product constructions shown have been evaluated by Avery Dennison on different water-based Inkjet platforms and are recommended based upon the existing printer ink system utilized at the time of testing. Additional product constructions are available.

These products are available through our EXACT™ and Ready Width™ service programs. The 1-slit roll minimum and next-day shipment are a great complement to the short run/quick turn capabilities of digital presses. Please contact your Avery Dennison sales representative for assistance.
