Rapid-Roll® Portfolio

Rapid-Roll Enables Your Growth Beyond Pressure-Sensitive

Avery Dennison ADVantage
We are one company servicing a vast range of pressure-sensitive, paper, film and specialty materials for all your printing and converting needs. Benefit from one-stop shopping with single-point order entry, one point of contact and single freight shipments.

Technical Support at Every Level
A community of highly skilled technical experts collaborate with you, optimize your opportunities, provide on site support and source materials specific to your needs.

Portfolio Characteristics
- Over 350 stock products
- Slit and ship press-ready rolls
- Same day/next day shipping for >90% of orders
- Short run, low MOQs (as low as one 5" slit roll x 5,000 ft)

Secure Supply Chain:
- We take on the inventory management burden, reducing buffering capacity issues, ensuring continuity of supply and avoiding carrying costs for you
- Multi-sourcing
High Strength Film
We carry top film brands with superior strength in the cross direction for end uses such as agricultural tags and high durability applications.

Applications
- automotive parts tags, bag headers, hunting tags/licenses, key tags, law labels/tags, lumber tags, power cord tags, transportation and wristbands

FlexPak
Rapid-Roll carries the broadest portfolio of lightweight, printable laminated flexible packaging film and paper options. In addition, application advice on these materials and custom solutions are always available.

Applications
- dry goods, soup and drink mixes, candy bags, travel packets and promotional packaging

Prime Print Film
A variety of top brand products with superior print performance in the synthetic tag market. These popular materials print and finish like paper with the durability of plastic, which is ideal for some of today’s most demanding applications.

Applications
- prescription cards, insurance cards, shelf talkers and banners

Shrink Sleeve
Top to bottom, 360 degree film showcases colorful designs on curvy shapes, a popular choice for brand owners who want greater shelf appeal.

Applications
- custom products, beer and beverage cans, sport drinks, dairy, personal care and household products

Coated Board
Coated one side and two side board stocks with excellent strength, stiffness and brightness in a variety of finishes.

Applications
- table tents, menus, garment tags, shelf marking and POP displays

Silicone-Coated Release Liners
Easy, tight release liners used in customer/retail and industrial applications. Used primarily for in-line pressure-sensitive adhesive laminating applications.

Applications
- direct mail, data processing labels

Prime Label Paper
Economical grade to premium C1S and C2S papers in matte, semi-gloss and high gloss finishes. Also metalized paper, wet-strength and latex impregnated paper.

Applications
- beverage labels, catalogs, direct mail, folding and extended text

Thermal Transfer
Bright white, smooth surface tag materials with problem-free matte coating enable sharp, legible barcodes. Usable with low cost wax ribbons.

Applications
- tracking and inventory, product identification, cold storage and freezer exposure, retail, mailing, office, shipping and distributing

Direct Thermal
Select from top coated and non-topcoated papers designed for multiple durability and thermal sensitivity needs.

Applications
- tickets, lightweight ATM receipts, entertainment ticketing and sport/game licensing

Did You Know?
