Candle & Soap Portfolio

There's no tougher application challenge than candles and soaps. But our exclusive, Select Solutions Candle and Soap portfolio makes the job easy. Available in a variety of facestocks, our papers and films for candles and soaps have been selected to give brand owners added design flexibility for on-shelf impact. Choose ultra-clear label material for that "no-label" look, metallized foils, white papers or digital options – our Candle and Soaps portfolio products perform reliably with direct or indirect exposure. Application-suited, high-performance adhesives mean labels stay put, no matter the difficulty of the surface application.
