

Select Solutions™ Mix & Match™ Product Guide

Versatile, flexible way to create select label solutions

Looking for a lay-flat option? Find a facestock and adhesive combination you like but need it on a film liner? Avery Dennison's Select Solutions Mix & Match options can help you find the right construction – fast!

Mix & Match lets you choose from a set range of label constructions created to address your unique application and performance needs.

Select from foils, films, metalized films, papers and more in combination with some of our best-performing adhesives and liners.

Mix & Match gives you the benefit of a customized label solution with low minimum order quantities, rapid pricing and delivery you expect.
